QUOTES TO LIVE BY

"I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel."

~ Maya Angelou

TIPS & TRICKS

Clothing Tips

When selecting outfits for everyone to wear for your next portrait sessions:

It is best to select one or two colors and then mix up patterns and styles. Keeping everyone within a color group and having a mix of pants, dresses, skirts, long or short sleeves as well as different fabrics and patterns, keeps things looking more natural.
